*What athlete?* Thomas Young / Giannis Antetokoumbo

*Which sport?* running/basketball

*When did you learn about him/her?* in 2018

Student Book Answer Key

/ last year

Why do you admire him/her? young but hard working / plays at the NBA/voted MVP in 2019

**C. (Answers will vary.)**

An athlete I admire is Thomas Young. He is nineteen years old and is from Croydon in England. He runs 100 metres and 200 metres races. I first heard about him in 2018 when he won two gold medals in the European Championships. I admire him because he is very young but he works hard and he hopes to win a medal in the next Olympic Games.

**p. 71**

**Quiz Drive**

**A. (Answers will vary.)**

A sports event that I enjoyed watching was the 2018 FIFA World Cup. I really liked watching the final game with all my friends, at a restaurant, by the River Thames. The final match was between France and Croatia. I enjoyed it because it was a nice summer day and I was proud that my favourite team, France, won the match by 4-2. Their performance was wonderful. .

**B. (Answers will vary.)**

Would you mind bringing a bat? I don't have one.

Would you mind bringing some water? We're going to be thirsty.

Would you mind starting early? I'd like to finish by noon.

**C. (Answers will vary.)**

I would prefer to be a teacher. One reason is that people really respect teachers. So I would feel proud of my job. Also, teachers help a lot of people, and I want to help people. Third, I could have a longer career as a teacher. Only young people can be athletes. For these reasons, I think it's better to be a teacher than an athlete.

**C. (Answers will vary.)**

I disagree that people should never eat fast food. First, fast food is very helpful because it is fast and easy to get and eat. You can have a meal in less than half an hour. Also, I know fast food isn't healthy if you eat it every day, but a little doesn't hurt you. Some fast food, like chips, tastes really good. For these reasons, I think it's OK to eat fast food sometimes.

My favorite place to relax is in my bedroom. My bedroom has my bed, a television, and a desk with my computer. I think it's relaxing because I feel very comfortable there. I can listen to my favorite music, and I can play on the computer whenever I want. It is also very bright because there are big windows in my room. The light from outside gives me a lot of energy!

**Part 6. (Answers will vary.)**

I disagree with the statement that it is better to go to school in a foreign country. The biggest reason is because I will miss my friends. Being in a foreign country is hard because you are away from the people you are close to. I also think that going to school in a foreign country is hard because I wouldn't understand everything in class. Finally, I would not be able to get help from my family. At home, my family always helps me with my schoolwork. I don't know what it would be like to be without them.
